

AICHE Conference 2017-11-01

Details about Hydrofuel Inc.'s presentations at the 2017 AICHE Conference Proceedings.

Greg Vezina

AICHE Conference - People

- Citation name: Vezina, G.
- Affiliation: Hydrofuel Inc.
- State: ON
- Country: Canada

Authored:

- (498g) Comprehensive Evaluation
of NH₃ Production and Utilization Options for Clean Energy
Applications

2017 Annual Meeting (ISBN: 978-0-8169-1102-8)
- (585j) Developing a Modern
Renewable Fuel Standard for Gasoline in Ontario
Ammonia (NH₃) As a Potential Transportation Solution for
Ontario

2017 Annual Meeting (ISBN: 978-0-8169-1102-8)
- (585q) Government of Canada
Clean Fuel Standard Discussion Paper - Ammonia (NH₃) As a
Carbon-Free Fuel

2017 Annual Meeting (ISBN: 978-0-8169-1102-8)

2017 AICHE presentations:

- Hydrofuel - UOIT NH₃ Presentation: 2017 AICHE
Conference, November 1-2
- MITACS PHASE 1 - Comparative assessment of NH₃
production and utilization in transportation systems for Ontario
- MITACS PHASE 2 - Comparative assessment of NH₃

production and utilization in agriculture, energy and utilities, and transportation systems for Ontario

- MITACS PHASE 3 - Comprehensive Evaluation of NH₃ Production and Utilization Options for Clean Energy Applications
- Ontario Clean Gasoline Submission
- Federal Clean Fuels Discussion Paper (FINAL) April 2017
- 2017 AIChE Conference - NH₃ Fuel Topical Conference

In collaboration with Dr Ibrahim Dincer's group at the UOIT Clean Energy Research Laboratory.
